

Dear Savoy and Waverley Resident

Tonight at 6.30 for 7pm (sharp!), at St Mary's School, Waverley, Mr Gideon Cruywagen of Council, Region E, will chair a formal meeting convened in terms of provincial legislation governing City Improvement Districts (CIDs), to hear **OBJECTIONS, RECOMMENDATIONS and **SUGGESTIONS** for the Savoy Waverley Residents Association CID.**

As a resident and a ratepayer of Savoy / Waverley, your attendance at the meeting is particularly important. If you have an objection, then this is the formal forum for you to table same. If you have recommendations or suggestions, ditto. But importantly, if you are in favour of the CID, tonight is the **ONLY opportunity we have to visually demonstrate to the Council just how committed we are to getting our CID approved.**

We want Mr Cruywagen to be met tonight by a **HUGE turnout of ratepayers and residents, dressed in green, demonstrating their support for our CID. First impressions count, so let's leave Mr Cruywagen with an impression he will not forget – of a suburban community which is positive, supportive and committed to its CID.**

By the way, if you have not yet voted or signed a debit order, we will accept votes until 12:30 today. Please fax your votes to 086 529 7822, or deliver them to 54 Grenville Avenue, Savoy. Alternatively, call our Administrator on 082 419 7927 to arrange for collection / delivery.

As regards debit orders, we need to build a sustainable financial base for SWAP while the CID application is under consideration. If **YOU are one of those residents who has **NOT** yet committed to a monthly contribution, please complete the Debit Order Form and submit it as soon as possible.**

We look forward to your attendance at the meeting tonight – **GO GREEN FOR SWAP!!**

Bringing you a safe and secure suburb
